

Carport Acknowledgement for New Buyers

Carports are required within the Tamiami Village.

If you are purchasing a home with a damaged or missing carport you are required to install or bring the existing carport into compliance.

For new Owners, the Owner will have one year from the purchase date of their unit, to construct or repair the carport.

The Owner(s) of Record, as listed in the Tamiami Office, must submit the Application for Site Improvement Form to the Architectural Committee for approval of a new carport. The installation must meet the requirements listed in the Carport and Lanai Improvement Policy.
