

To: Tamiami Village Residents

From: Doris Best-Kroeger

Chairperson, Helping Hand of Tamiami Village

Helping Hand is a voluntary group of residents who join together to help out the family of a resident who passes. Members pay into the fund and at each death \$1.00 is deducted from each member's account and the sum is presented to the beneficiary. If there are 250 members, the check will be for \$250.00.

To open an account and become a member of this group contact Doris Kroeger at 302-381-4618. Initial dues are \$10.00 at which time you will be given a group captain's name who will monitor your account and collect from you when necessary.

There is a thirty day waiting period following joining before benefits will be paid.

Hoping to hear from you. Welcome to Tamiami Village
